

Dear Ebony,

With the introduction of tax reform, you may be looking at your finances and wondering how you can continue to be charitable. This newsletter edition discusses some tax-smart ways to give in 2018.

We are currently updating the [AMCP Foundation planned giving site](#) to reflect the 2018 tax law changes. This includes the new income tax brackets, the increase to the standard deductions, estate tax reform and a change to the adjusted gross income limit on cash contributions. Please [contact us with any questions](#) and to discuss how your gift can help our mission.

Tax reform does not change the vital importance of your work, and our mission. You are increasing patient access to affordable medicines, improving health outcomes and ensuring the wise use of health care dollars.

Thank you for your trust in our organization,  
**Paula, Ebony and the AMCP Foundation team**

## Issue #5

### [Best Charitable Gifts to Make in 2018](#)

Tax reform is here, and many donors are wondering about the implications for their personal philanthropy. Here are some tax-smart ways to give in 2018.
