## IT'S THAT TIME!!!

Fri, 05/13/2016 - 11:42am Vic MacDonald

### New Pharmacists pledge: "I will consider the welfare of humanity and relief of suffering my primary concerns."

SHARE

BY: VIC MACDONALD/ MYCLINTONNEWS.COM

The first graduates in Laurens County receive their diplomas today. The 71 P4s of the Presbyterian College School of Pharmacy become the 3rd pharmacy graduating class with a combined hooding and diploma ceremony at Belk Auditorium. It is the first time the formerly two ceremonies were combined into one for the Doctors of Pharmacy.

"I promise to devote myself to a lifetime of service to others through the profession of pharmacy. ... I take these vows voluntarily with the full realization of the responsibility with which I am entrusted by the public."

Featured speaker is Susan A. Cantrell, RPh, chief executive officer, Academy of Managed Care Pharmacy. "I admire each and every one of you," Cantrell said. "You are graduating in a time that is one of the most interesting and exciting in the last three decades."

Distinguished Graduating Student Speaker is Bragan Rebecca Mace, Class of 2016. She said, "As painful as it was at times, pharmacy school was fun. The chance to laugh with you guys was the only thing that kept me sane most days."

The Presbyterian College School of Pharmacy presents seven award, and 12 students receive the Certificate in Entrepreneurial Development. Provost Dr. Donald Robert Raber II presents the authorization for the granting of degrees, and PCSP Dean Dr. Clif Fuhrman introduces the keynote speaker, following a welcome by PC President Bob Staton.

Dr. Fuhrman administers The Oath of a Pharmacist following the doctoral hooding and presentation of degree. The revised oath was adopted by the AACP House of Delegates in July, 2007, and has been approved by the American Pharmacists Association. Following the ceremony, the Class of 2016 stands for the official class portrait as the 3rd class to graduate Presbyterian College School of Pharmacy.

The Senior Lunch at Alumni Green and unveiling of bricks purchased by graduates follows the School of Pharmacy Hooding Ceremony.
