## AMCP's Recommendations on Driving Value and Outcomes in Oncology

The Academy of Managed Care Pharmacy (AMCP) recently hosted a discussion value and outcomes in oncology at a national health care forum, where oncology innovation and the complexity of cancer treatments were key themes. Find a list of their recommendations [here](#) (to be published first quarter 2017 in AMCP's Journal of Managed Care and Specialty Pharmacy). (Source: AMCP, 11/18/16)
